## JOIN THE STATE PROFESSIONALS OF KENTUCKY/AFT

**A**lmost all state employees have a seat at the table with state officials, but do you? By choosing the State Professionals of Kentucky/AFT as your representative, professionals can have their voices heard and have an impact on their working conditions.

### WHAT IS THE GOVERNOR'S EMPLOYEE ADVISORY COUNCIL?

Governor Beshear re-instated the Governor's Employee Advisory Council (GEAC) in 2008 to give government employees a chance to communicate directly with the Governor to improve working conditions.

### EVERYONE ELSE HAS A SEAT AT THE TABLE, WHY DON'T YOU?

Currently, AFSCME, the UAW, the Teamsters, the Kentucky State Police Professional Association and SEIU all represent state workers in the GEAC — but who is standing up for professionals like you? We need to make sure our interests are represented too. That's why the State Professionals of Kentucky/AFT was created.

### WHY JOIN THE STATE PROFESSIONALS OF KENTUCKY/AFT?

By working together, we have a greater impact on the issues facing public professional employees. The State Professionals of Kentucky/AFT will be your advocate to address the salary inequities between public and private sector professionals, protect health care benefits and work to improve professional development programs.
